Oxium installation process

You receive a redeem code from the Epic Bundle. This code has to be redeem on the following web page (you have to create an account)

https://www.xils-lab.com/pages/Redeem-Resale-Code.html

You will receive your Oxium serial by email, but you can also get it, within your account, following the link « completed order and registered products »

Download the installer from :

https://www.xils-lab.com/pages/Oxium_Download.html#FullInstaller

Launch Oxium with any DAW and submit your serial.
