

*** To Register and Authorize Your Software ***

Have your Registration Code in hand and point your browser to:

<https://transactions.antarestech.com/securevocal/iLok.aspx>

for detailed info on how to register your particular product.

*** Help Resources ***

In the unlikely event that you encounter any problems registering or authorizing your software, the following resources should help:

[iLok Authorization Guide (PDF)] - Step-by-step instructions for registering and authorizing your software using the iLok USB smartkey.

[http://www.antarestech.com/downloads/iLok Authorization Guide.pdf](http://www.antarestech.com/downloads/iLok%20Authorization%20Guide.pdf)

Antares Support Web Portal:

<http://www.antarestech.com/support/>

Again, thanks.
